

# HTV HIROSHIMA TV!

## -Company Profile-

Hiroshima Television, affiliated with Nippon TV Network, is a terrestrial TV station located in Hiroshima, a core city of the Chugoku region in Japan. The station was established on September 1<sup>st</sup> in 1962. Since then we are providing programs in Hiroshima prefecture to 1.5 million households or 3.8 million people. In the weekday evening we are broadcasting information-oriented variety program. On the other hand sport program aired on every Sunday acquires support and trust highly from our viewers due to wide coverage of spots activities from professional baseball and soccer down to amateur tournaments. We are aiming to become "indispensable TV station in Hiroshima" through various genre such as news, documentary, sport live broadcasting, variety show and others.

Head office : 3-5-4, Futabanosato, Higashi-ku, Hiroshima-shi, Hiroshima, 732-8575, Japan

## -Entertainment-

*The youth of today lack the ambition of yesteryear.  
Is Japan's economic clout destined to fade away?!*

*But even now, there are those that would stoke the flame of ambition...  
the Bosses!*

*As TV personalities reach for such Bosses' hearts, drawing out emotion  
and raw humanity, we'll discover the secret circumstances and methods  
behind their success.*

*A variety show that takes you behind the curtain of industry, with  
candid looks at workers and the Bosses who lead them!*
